PERSONAL DETAILS

Date of birth: 24 February 1972
Nationality: Austrian
Marital status: married

PROFILE

As a civil engineer with over 20 years' experience, I apply my extensive knowledge of precast concrete in consultancy projects, planning work and technical site management. Planning and building with precast concrete elements is a challenge that requires specialist knowledge. As an expert in precast concrete construction I can provide support ranging from running seminars and workshops to managing projects from planning right through to execution.

PROJECTS

EMC – European Modular Productions GmbH, Germany – Precast concrete plant
Josef Lehner GmbH, Austria – Precast concrete Plant
The Circle, Zürich Airport, Switzerland
Wil Canton Hospital, Switzerland
St. Gallen Canton Hospital, Switzerland
